EXPERIENCE

The Knowledge House

Manhattan, NY

Instructor

July 2023 – August 2023

- Delivered an engaging and comprehensive workshop with the Double Discovery Center at Columbia University, to high school students from first-generation and low-income backgrounds, focusing on color theory, typography, psychology-driven UI/UX, HTML, and CSS.
- Adapted teaching methods to meet the unique needs of diverse learners, ensuring comprehension and skill development in digital design concepts.
- Collaborated with partner site staff and utilized effective communication and course management strategies to maintain strong relationships and support student success.

Change Food for Good

New York, NY

Course Coordinator & Instructor

July 2020 – October 2023

- Web development introductory curriculum consisting of semantic HTML, CSS, object-oriented JavaScript, and UI/UX fundamentals (e.g. accessibility, color theory, prototyping, and identity) all alongside industry standard tools.
- Evaluated and facilitated student progress through dynamically curated coursework and long-term guides to refine and expand their skillsets within and beyond the program and secondary education.

Full Stack Developer

March 2020 – June 2020

- Reduced client's workload through web and mobile services, automating the logging, management, analysis, and visualization of data points fed by PlotBot monitors in hydroponic and aquaponic systems.
- Provided clients the ability to subscribe to and terminate additional services, purchase monitoring units, and donating, all in a PCI-compliant manner, via Stripe.

LEADERSHIP AND ACTIVITIES

TNR Certification (Neighborhood Cats)

May 2023

Agricultural Technology Apprentice (The Urban Wild)

Summer 2019

Student Software Developer (CUNY Tech Prep)

June 2018 – May 2019

Indoor Track & Field (New York City Museum School)

Fall 2017

Secretary (Eugenio Maria de Hostos Puerto Rican and Multicultural Club, Hunter College)

2011-2015
